

Morning Drop-off: Please enter the south entrance. Go towards the school. Follow the traffic and go past the turn around in front of the school and then **PULL ALL THE WAY FORWARD TO THE END OF THE WEST CURB BEFORE YOU DROP YOUR STUDENT OFF.** We ask that drivers alternate allowing every other car to enter the parking lot from 64th Street southbound and northbound.

After School Pick-up: Parents can park and walk-in to pick-up their child/children or **remain in their vehicle** in the pick-up lane (one continuous moving line of vehicles that covers both the north and west curbs). However, students can only enter their respective vehicle on the west curb due to supervision reasons. Students **can not wait or get** into cars waiting by the North Curb, only the West Curb!
